

Navodila za samostojno delo: PONEDELJEK, 4. 5. (1 ura)

Danes se boš naučil(a) besede za cvetlice.

Podrobnejša navodila za delo:

1. Odpri učbenik, str. 116, nal. 3. Preberi sestavek o britanskih simbolih.

2. V razdelku G si oglej sličice različnih cvetlic. Poslušaj posnetek in ponavljaj besede.

https://touchstone.si/audio/ts7/116_Flowers.mp3

3. V svoj zvezek si prepisi spodnjo preglednico:

Odkljukaj besede, ki jih že poznaš. Nato vpiši slovenski pomen besed, ki so zate nove, in jih označi z markerjem. Nato si jih poskusi zapomniti.

ANGLEŠKO	SLOVENSKO
THE SYMBOLS	
shamrock	
thistle	
leek	
buttonhole	
FLOWERS	SLOVENSKO

FLOWERS

Flowers come in different colours, _____ (1) and sizes. They grow in the wild, in flower gardens and in flower pots. They are used for decorating houses, churches and chapels. We bring flowers to the cemetery, we bring them _____ (2) presents to people we love. A bunch of flowers makes a really beautiful present. Women _____ (3) flowers to chocolates and candies.

Most of the flowers _____ (4) really sweet. Their scent is extracted and preserved in perfumes. Flowers attract bees, bumblebees and butterflies. Bees make sweet honey _____ (5) store it in bee-hives. Poets write poems about flowers and painters paint flowers on canvases.

The _____ (6) flowers blossom in the spring, some in the summer. Primroses and _____ (7) are the first flowers in the spring. Children like picking flowers and blowing _____ (8) clocks. Everybody likes flowers' sweet smell.

My Auntie Rose adores flowers. She has a beautiful flower garden where she grows white and yellow daffodils, colourful tulips and red carnations. She says she likes the red carnation best, because it is a _____ (9) of love, friendship, energy and health. She weeds her garden, and waters her flowers and watches them grow every day. In the spring she can't wait for the flowers to start _____ (10).
